## digital services

### Scanning

Our selection of scanners will make photo quality digital files from your 35mm to 8x10 film, prints or original art, and create an optimized file for printing, internet, or home computer use. Scan prices are from film up to 8x10 or reflective art up to 17 x 22. Larger art may need a 4x5 or 8x10 transparency. File sizes are for RGB file format uncompressed.

**low res:** for web or email attachment; up to 2 MB - 8"x10"x72ppi, delivered in RGB.jpg format only - \$8.

**med res:** for small reproductions / inkjet printing; up to 15 MB - 6"x10"x300ppi, delivered in RGB.tif format - \$15.

**hi res 1:** up to 30MB - 10"x12"x 300ppi - \$30

**hi res 2:** up to 50MB - 11"x17"x 300ppi - \$50

**hi res 3:** up to 70MB - 15"x18"x 300ppi - \$70

**custom res:** over 70MB - \$1.00/mb

**Add a web scan to any hi res scan - \$3.00 per image**

**CMYK** file prep & proof print: up to 8.5x11 - \$50, 11 x 17 - \$75  
**deliver files** by email attachment: \$5.00, or by ftp: n/c  
**write files** to CD-ROM or flash drive (provided) - \$10

### Digital Imaging / Computer Design

Our skilled technicians & designers can manipulate your provided images, or digitally create new exciting ones. Image processing is done at three levels of complexity: enhancement, retouching & compositing. Ask for a quote for the whole job. Charged by the hour (\$130/hr) in 15 minute increments, plus expenses (scans, proofs & prints).

**Photo retouching and restoration:** bring in your old family documents, whether they have faded or fallen apart, to be restored and re-printed archivally.

**Graphic Design & Production -Postcard, Notecard, Brochure** - have your art and text combined to look great in print and get the notice you deserve!

**Logo development:** from text or art, we can produce a variety of colors, textures and effects to get the message across quickly.

We will always estimate the job before we begin.
