BCS can turn any printed material into digital files, but we must respect the copyright laws of the USA.

Retouching and Restoration

Using your original photo or art or digital image file we can digitally manipulate the image and print out a new version better than the original.

- restore torn, cracked or stained photos
- remove unwanted objects
- make multiple copies from family heirlooms / artwork
- create posters from school / classroom projects
- add or subtract people from group photos
- retouch blemishes, skin and hair in portraits

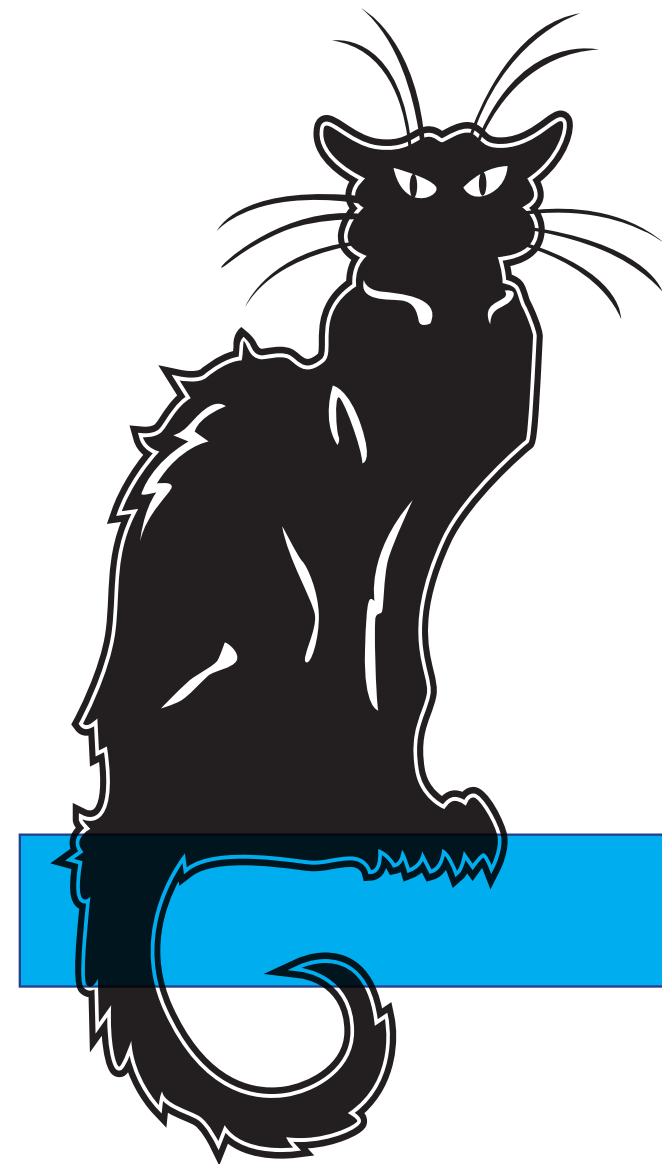

Each project estimated individually. \$35 min fee, imaging time invoiced at \$35 per ¼ hour

Post Cards & Greeting Cards

BCS designs logos, business cards, greeting cards, post cards, posters, invitations, books and brochures from your art and photos. This service comes complete with file preparation, ready for commercial printing. Actual printing prices vary with sizes, paper and quantities, we will provide a quote. Card Design starts at \$35 per side, \$50 min charge.

example: 150 greeting cards on gloss card stock with color art and text options on outside designed, printed and delivered start at \$150 (\$1.00 each)
